

NJAGI DENIS MWENDA

PROFILE:

Results-driven Community Development and Human Resource Management professional with hands-on experience in community engagement, programme implementation, monitoring and evaluation support, data management, and administrative coordination. Skilled in stakeholder engagement, research, reporting, digital communication, and participatory development approaches within both community and organizational settings.

Proficient in digital tools including Microsoft Office, Excel, Canva, Adobe tools, HTML, CSS, and JavaScript, with additional experience in graphic design and web development for businesses, organizations, and personal brands. Recognized for combining analytical, creative, and problem-solving skills to support impactful projects, effective communication, and operational efficiency.

Adaptable, detail-oriented, and highly motivated, with a strong passion for innovation, youth empowerment, digital transformation, and community development. Capable of working effectively in dynamic environments while contributing to organizational growth and sustainable social impact.

WORK EXPERIENCE:

Childrise Development Centre, Ishiara

Community Development Intern | May 2024 – September 2024

- Supported implementation of community-based development initiatives through participatory engagement approaches, resulting in increased community involvement and stronger ownership of program activities.
- Mobilized community members for awareness campaigns, training sessions, and outreach programs, contributing to improved attendance, participation rates, and program reach within target communities.
- Strengthened program monitoring and reporting by accurately collecting, documenting, and organizing field data and community feedback, improving the reliability of project records, and supporting evidence-based decision-making.
- Enhanced coordination between field teams, beneficiaries, and community stakeholders, leading to smoother implementation of activities and timely resolution of operational challenges.
- Assisted in preparation of activity reports, progress updates, and program documentation, improving tracking of project outcomes, accountability, and reporting efficiency.
- Supported community sensitization initiatives focused on child welfare, education, and social development, contributing to increased public awareness and improved community participation in development programs.
- Contributed to effective stakeholder communication and follow-up activities, strengthening relationships between the organization and community beneficiaries while improving responsiveness during program implementation.
- Participated in field assessments and community feedback exercises that helped identify local needs and informed planning of future program interventions.

Africomm Development Centre, Chuka

Community Development Attachee/May 2025 – August 2025

- Supported implementation of Sexual and Reproductive Health Rights (SRHR) programs through youth-focused sensitization forums, mentorship sessions, and community outreach initiatives, contributing to increased awareness on reproductive health, menstrual hygiene, gender equality, consent, and access to accurate health information among adolescents and young adults.
- Participated in Children Online Safety and digital literacy campaigns aimed at promoting safe internet practices, cyber awareness, digital responsibility, and protection of children from online exploitation, cyberbullying, and harmful digital content within schools and community settings.
- Assisted in coordinating leadership and governance empowerment initiatives that strengthened youth participation, civic engagement, accountability, decision-making, and community leadership capacity among youth groups and local stakeholders.
- Contributed to climate change action and environmental sustainability programs through public awareness campaigns, community sensitization activities, and advocacy initiatives focused on environmental conservation, climate resilience, waste management, and sustainable community practices.
- Supported community research and consultancy projects by conducting field data collection, surveys, stakeholder interviews, needs assessments, and documentation exercises that informed program planning, policy recommendations, and evidence-based interventions.
- Strengthened program monitoring, evaluation, and reporting processes by maintaining accurate field records, compiling activity reports, organizing program data, and supporting timely submission of project documentation for performance tracking and accountability purposes.
- Mobilized community members, youth groups, and stakeholders for trainings, workshops, and advocacy forums, resulting in increased program participation, improved community engagement, and wider outreach impact across target populations.
- Enhanced coordination and stakeholder management between project teams, facilitators, beneficiaries, and community leaders, contributing to efficient program execution, improved communication flow, and timely resolution of implementation challenges.
- Supported digital advocacy and community communication efforts through development of awareness materials, digital content, and visual communication resources that improved information dissemination, campaign visibility, and audience engagement across community initiatives.
- Demonstrated strong project support, teamwork, and organizational skills by effectively handling multiple field activities, administrative responsibilities, reporting tasks, and stakeholder engagements within fast-paced community development environments.

LANGUAGES

- English (Fluent)
- Swahili (Fluent)

HOBBIES & INTERESTS:

- Volunteering and community outreach
- Youth mentorship and empowerment
- Networking and professional development
- Staying informed on current affairs and global trends
- Nature walks and adventure trips
- Music and Sound engineering

Community Development & Digital Design Consultant (Freelance) | 2023 – Present

- Designed and developed branding, visual communication, and marketing materials, including logos, posters, flyers, and social media content for businesses, startups, and community organizations, resulting in improved brand visibility and stronger audience engagement.
- Built and deployed responsive portfolio and business websites using HTML, CSS, and JavaScript, resulting in improved online presence, enhanced user experience (UI/UX), and stronger digital positioning for clients.
- Created and implemented digital advocacy and awareness campaign materials for community-based initiatives, resulting in improved communication effectiveness, increased outreach reach, and higher public engagement.
- Conducted client consultations and requirement analysis for diverse projects, resulting in accurate solution alignment with client objectives, improved workflow efficiency, and high client satisfaction rates.
- Managed end-to-end freelance project delivery, including planning, design execution, revisions, and final deployment, resulting in timely delivery of projects and repeat client engagements.
- Applied graphic design and digital tools such as Canva, Adobe Creative Suite, Figma, and Microsoft Office to produce high-quality visual content, resulting in professional-grade outputs and improved communication clarity.
- Delivered customized digital solutions across business, education, and community sectors, resulting in improved communication impact, marketing effectiveness, and stakeholder engagement outcomes.

KEY ACHIEVEMENTS

- Successfully delivered branding and digital communication projects for multiple clients, resulting in improved brand recognition, stronger online presence, and increased audience engagement across business and community platforms.
- Developed and deployed responsive portfolio and business websites for clients using modern web technologies, resulting in improved digital accessibility, professional credibility, and enhanced user experience (UI/UX).
- Executed digital advocacy and awareness campaigns for community initiatives, resulting in improved information dissemination, higher community participation, and increased outreach effectiveness.
- Achieved consistent client satisfaction and repeat engagements through high-quality project delivery, timely execution, and effective communication throughout the full freelance project lifecycle.
- Contributed to improved marketing and communication outcomes for clients by producing visually compelling content using professional design tools, resulting in clearer messaging and higher engagement rates.
- Demonstrated strong project management and multitasking capability by successfully handling multiple concurrent freelance assignments, resulting in consistent delivery quality under tight deadlines.
