PROFILE:

Early-career Community Development and Human Resource Management professional with practical experience in community outreach, data collection, monitoring and evaluation support, and administrative coordination. Demonstrates strong competence in data management, digital tools, and documentation, combined with hands-on involvement in community programs and participatory engagement initiatives.

Proven ability to support field activities, manage records, conduct research, and contribute to program reporting in fast-paced environments. Also skilled in graphic design and digital communication, enabling effective creation of visual and written content for community and organizational use.

Adaptable, detail-oriented, and committed to learning, with the flexibility to contribute across NGO, administrative, research, digital, and entry-level HR roles.

WORK EXPERIENCE:

Childrise Development Centre, Ishiara
Community Development Intern | May 2024 – September 2024

- Supported implementation of community-based initiatives using participatory development approaches.
- Assisted in mobilizing community members for training sessions, awareness campaigns, and outreach programs.
- Participated in data recording and documentation of community feedback and program outcomes.
- Engaged directly with community groups to promote inclusive participation in development activities.
- Supported coordination between field teams and community stakeholders to improve program efficiency.

Africomm Development Centre, Chuka
Community Development Attachee/May 2025 – August 2025

- Participated in community engagement initiatives using participatory development approaches.
- Assisted in mobilizing community members for training sessions and awareness programmes.
- Supported data collection, documentation, and basic analysis for programme activities.
- Helped facilitate communication between project teams and community stakeholders.
- Contributed to preparation of activity summaries and progress updates.

Community Development & Digital Design Consultant (Freelance) | 2023 – Present

- Designed professional visual materials including logos, posters, flyers, and branding content for individuals and small organizations.
- Supported clients with digital communication materials for community awareness campaigns and events.
- Delivered customized design solutions aligned with client needs in education, business, and community outreach sectors.
- Managed client requests independently, including planning, execution, and timely delivery of digital products.

Digital & ICT Skills

- Web design (HTML, CSS, JavaScript)
- Digital literacy training and ICT support
- Digital content creation and graphic design (Canva, Adobe tools)
- Social media and online communication tools

Administrative & Professional Skills

- Report writing and documentation
- Communication and presentation skills
- Teamwork and collaboration
- Time management and organization

LANGUAGES

- English (Fluent)
- Swahili (Fluent)

HOBBIES & INTERESTS:

- Volunteering and community outreach
- Youth mentorship and empowerment
- Networking and professional development
- Staying informed on current affairs and global trends
- Nature walks and adventure trips

KEY ACHIEVEMENTS

- Successfully supported planning and implementation of community outreach programs focused on child welfare and education.
- Contributed to data collection and documentation used in program monitoring and reporting.
- Assisted in mobilizing community members for awareness campaigns and training sessions.
- Delivered freelance design projects for multiple clients, meeting deadlines and client expectations.
- Developed strong community engagement and stakeholder communication skills through fieldwork and outreach activities.
- Demonstrated ability to balance academic work, field attachment, and freelance projects simultaneously.
